HIGH DANGER RESTRICTIONS

This Fire Prevention Order, High Fire Danger Restrictions, includes all lands managed by Bureau of Land Management, Las Vegas Field Office under the authority of 43 CFR 9212.2 (a).

The restrictions in the Fire Prevention Order, High Fire Danger Restrictions, are necessary to prevent wildfire during the current episode of high fire danger being experienced in Southern Nevada.

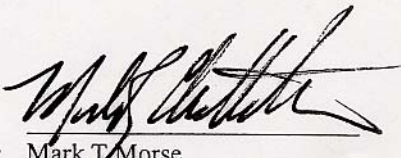

Effective Immediately, June 20th, 2003, and until rescinded, the following acts are prohibited on public lands administered by BLM, Las Vegas Field Office:

1. Building, maintaining, attending, or using a fire, campfire, any wood or charcoal-burning device. Stoves fueled by liquid petroleum or LPG fuels are allowed.
2. The use of all fireworks, including "Safe and Sane".
3. Smoking, except within an enclosed vehicle or building, a developed recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable material.
4. Welding, or operating an acetylene torch with open flames, except by permit.
5. Using any explosive device except by permit.

The following persons are exempt from the restrictions of this Fire Prevention Order:

1. Person with a permit authorizing the activity.
2. Any federal, state or local officer or member of an organized fire fighting force in the performance of an official duty.

Violation of this High Fire Danger Closure Order is punishable by a fine of not more than \$1,000.00 or imprisonment of not more than 12 months (43 CFR 9212.4).
